

### The advantage of choice

By offering two different copay levels, Anthem Blue Cross continues to provide a choice of affordable, comprehensive coverage.

### Need some help choosing?

Take advantage of the *Provider Performance Profile*. It rates many of our HMO medical groups – both participating medical groups (PMGs) and independent practice associations (IPAs) – based on members' service satisfaction and access to care. You can find the *Provider Performance Profile* at [anthem.com/ca/caltech](http://anthem.com/ca/caltech).

### Online access to care
